

CERTIFICATE

This certificate is awarded to the paper titled:,

“Comparative Study of Active Power Filters with Least Mean Square algorithm and conventional strategy in discrete-time domain”

Presented at the IEEE INCAS 2024 event in the field of Aerospace Engineering and Signal Processing, for its distinguished contribution to the success of the event, providing high-quality knowledge and enriching the academic discussion in this area.

Cusco, November 30, 2024

ROBERT PÉREA TAMAYO

Chair
